

To Whom It May Concern:

We have had the pleasure of Chariot Valet servicing our restaurant for the past few months and I would be happy to recommend their services.

In the time they have been working for us, there have been no major issues. Small hiccups that do come up are addressed in the most professional manner. Chariot Valet truly possesses the ultimate "can do" attitude while working and does so with a positive energy and a smile. The staff is timely, courteous and always well organized. They are appropriately staffed and well represented in uniform and signage.

Valet attendants are the first and last people our customers see; therefore, Valet service is an extension of the restaurant and I am happy to have Chariot Valet representing Susanna Foo.

I volunteered to write this recommendation for Ryan Alexaki and Chariot Valet because I am very grateful for the work ethic he and his employees possess. I am pleased to give my highest recommendation to Chariot Valet. Please feel free to contact me should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads 'Ken Johnston'.
